SERVICES

Mohave Freight understands that a our clients' businesses depends upon fast, reliable service. Our qualified personnel believe that common sense and hard work will achieve the right results, right on time.

Local Delivery

Mohave Freight operates a fully functioning cartage operation in the metro Phoenix area. Our local delivery services utilize modern dispatching techniques that streamline response when time is critical.

- Offers same day pick up and delivery
- Our courteous drivers have a thorough knowledge of the Metro Phoenix area
- Owns its own fleet of modern, clean trucks for local pick up and delivery
- Offers lift gate service and inside delivery
- Offers emergency service 24 hours a day, 7 days a week

Hot Shot Delivery

Mohave Freight offers Hot Shot Delivery to remote locations in Arizona. Economical rates available for either exclusive van or truck delivery.

Air Freight

Mohave Freight coordinates the delivery of your shipments to both advance warehouse receiving and directly to Show Site. Depend on us to recover your freight from tradeshow convention sites. Nevermind the post-show chaos, because we know how to get in and get your freight out before the convention decorating company has a chance to charge you extra.

Warehousing

Whether you need to streamline your distribution network with our dedicated service, or you require secure warehouse storage services. We have the resources for all your logistics needs.
